

New South Wales Veteran Golfers Association Inc.

Policy Number 6.

Conduct of NSWVGA Sandgreen Championships.

Introduction

This policy refers to the following current NSWVGA Sandgreen Championships:

- a. 36 hole Stroke Championships.
- b. 36 hole 4BBB Championships.
- c. 36 hole Mixed 4BBB Championships.

Applying to conduct these events.

In 2020 NSWVGA Executive Council moved to call for Expressions of Interest from Clubs with eighteen holes to conduct these events. Successful applications will secure a three year tenure of the event after which time further Expressions of Interest will be called.

NSWVGA reserves the right to terminate the tenure period should the event not meet acceptable standards, relating particularly to the number of players.

Conditions of Entry

Male players must be members of NSWVGA and produce evidence of such.

Female players must produce evidence that they are affiliated members of Veteran Women Golfers of NSW if they are not NSWVGA members.

Interstate players must produce evidence of their affiliation with State, Territory or Veteran body.

The Entry fee will be determined by the organising committee and displayed on the Tournament Brochure.

A clear statement regarding refunds should also appear on the Tournament Brochure. NSWVGA recommends that a full refund be given up to two weeks before the event and a part refund thereafter representing green fees and associated food component.

The Brochure should clearly state that the event is a NSWVGA Championship and the NSWVGA logo must be evident on the front page of the Brochure.

The Brochure should also show the order of trophies to be presented and clearly indicate that there will be only one trophy per player.

The number of trophies will be determined by the host tournament committee and will be dependent upon the competition fee and sponsorship.

To this end NSWVGA has moved to financially support these events.

Trophies

- a. 36 hole Championship.
36 hole Scratch Winner
36 hole Nett Winner
36 hole Scratch Runner Up
36 hole Nett Runner Up.
Round 1 Nett Winner and Runner Up
Round 2 Nett Winner and Runner Up
- b. 36 Holes Men's & Mixed 4BBB Championships. This is a stableford competition with the Trophy list and sequence of presentation as per singles event (a) above.

Conclusion

As these events are NSWVGA championships it is mandatory that a balance sheet for the event and a written report be forwarded to NSWVGA Secretary upon completion of all financial transactions.
