

## **Kew Country Club *Week of Golf 2020* Report**

- Conducted Oct 25 – 30, 2020
- Approximately 160 attendees (many returnees) including 15 locals
- Registration (Sunday) brought indoors at the last minute due to rain but went extremely smoothly. Two Covid-19 marshals on duty. Once again, the booklet containing the entire week's programme handed out on this day was deemed invaluable.
- Two tees used all week. Hole 1, 7.30 – 8.30am & Hole 10, 11.15 – 11.30pm
- No daily presentation, results posted the next morning instead. Worked perfectly with much of the pressure taken off the Committee.
- Golf cart flow from last hole to next user can be improved next year by either more carts being made available or improved discipline around emptying the carts immediately and making them ready for the afternoon golfers. Longest wait time recorded was 12 minutes.
- Wednesday's golf clinics very popular.
- Thursday afternoon golf washed out reducing the NSWVGA Shield Event to a 36 Hole Event only. No negative comment reported.
- Thursday Night's Prize Presentation over subscribed and very popular as always. Covid-19 restrictions meant a half dozen golfers who had not booked but wished to attend could not attend. Very favourable reviews on both the food and the entertainment.
- Friday's 4 Person Ambrose very popular and considered by most participants to be the ideal way to complete the week.

- The first photo features Mr Ian Vidler (NSWVGA President) and Mr Dennis Geisker from Port Macquarie (Men's Winner) and the second photo shows Mr Col Voss (KCCMVG Captain) presenting the winning ladies' award to Ms Ann Redman from Muree
