Yarrawonga National Championships

AVGU Delegates and State Secretaries

The 2021 AVGU National Championships scheduled for Yarrawonga on 29 November are to go ahead.

As we are all aware Covid has had a huge impact on this event. With the roll out of the vaccine we are confident that we can successfully run this years event with a limited number of restrictions. The current changes are to reduce possible costs incurred for all parties in the case we are forced into another last minute lock down scenario or other limitations.

This year's event will be more basic than those provided in the last couple of years with a focus on the golf side of things.

Numbers will be limited and the presentation dinner, welcome function and Tshirts are now optional extras rather than being bundled into an overall entry cost.

The arrangements agreed with the organizers are detailed in the attached letter.

The web site for entries will be up and running from 6 April.

Could you please forward the details as widely as possible to your members.

Alan Chrisp

President AVGU
