

Moree Veterans Golf Group

2022 Week of Golf

11th – 14th April

24 January 2022

Dear Veteran Golfers

The Moree Veterans Golf Group invite you to Moree for our 19th week of golf. I have enclosed a nomination form and request you confirm your booking by returning the form and sending your nomination fee to the bank account nominated on the entry form.

The week is conducted under the auspices of the NSWVGA and accordingly all players must be members of the NSWVGA, the Conditions of Play are available on request, should you require a copy please contact me, pauilwilde@me.com or phone 0428 521599. This year we will not allow anyone to play if they are unwell and have any sign of cold and flu symptoms, we will be enforcing the Covid 19 rules of play as published on the day, whatever they maybe in April 22!

Competition Events: Note because of Easter, Monday and Tuesday's events are a Men's and Ladies 36 holes stableford for our major event, Wednesday will be 18 holes stableford in conjunction with N.S.W.V.G.A Trophies and a medley 4BBB stableford played on Thursday.

The famous **Moree Barbeque** will be open for morning tea from 6.30am each day of play under the deck at the clubhouse.

Carts: Will be available on a first in basis and are limited, we rely on the generosity of our local members to supply us and they are limited to the **early spots in the am field and late spots in the pm bookings.**

Presentation Dinner: Due to Covid 19 restrictions we are not hosting a dinner at this time, we may change this decision closer to April 2022

Raffle tickets are available in the clubhouse during the week and the draw will be made on Thursday, there are great prizes available to the winners, profit goes to course improvements.

We look forward to your attendance and the entry form is separately attached, please email or post it back, our preferred payment is by EFT to our bank account, details of which are on the entry form. The course is in good condition and as challenging as ever, your participation in the week is greatly appreciated by our community and we look forward to seeing you again.

Regards

Paul Wilde
