## Policy No 7

### Affiliation Payments and Currency of Membership

#### General

It is the responsibility of individual veteran golfers to ensure that they are affiliated with the NSWVGA to qualify to play in veteran's inter-club open events and NSWVGA weeks of Golf conducted throughout New South Wales. Payment of the applicable fee is preferable at Club or Group level. Where this is not possible payment may be made to any Tournament Director or to a NSWVGA representative.

The membership year of the NSWVGA runs from 1 January to 31 December.

All affiliation payments made after 1<sup>st</sup> July will be deemed to cover affiliation for the period up to 31 December of the following year.

All Veteran Clubs/Groups are required to forward these fees to the NSWVGA Treasurer on receipt. The data base is to be updated upon receipt of fees and the details forwarded to the Treasurer.

At all times it is necessary for clubs to ensure that their Group Secretary has all pertinent up to date information or can access that information from the Club Secretaries as quickly as possible.

#### Member Database

As a result of the above process all members' lists should be updated on the NSWVGA Website data base, including First Name, Surname, Golf Link Number and **Affiliation Group**.

To minimise the update requirements, 31st December is the date that Clubs/Groups must pay the appropriate fee of \$5 to NSWVGA treasurer, ensuring that the total amount reconciles with the number of members on the data base.

Outside that period the details of new members or previously non-financial members who pay their affiliation fee to their Club/Group Secretary should be updated on the data base and fees sent to the NSWVGA treasurer.

The NSWVGA Member data base can be accessed by NSWVGA Executive Councillors, Group Secretaries, Tournament Directors, and Club Secretaries or their representatives. Aside from updating membership lists the data base is referenced by this group to check authentication of the player membership for all NSWVGA events. A login request can be made to
